CUUC Racial Justice Team Mission Statement

The mission of CUUC's Racial Justice Team is to act as a catalyst that stands against racism and, by our actions, work to accountably dismantle racism and other oppressions in ourselves and our institutions. The RJT will strive to:

Deepen CUUC congregants' understanding of racial justice and how to work to help end racism – both systemically and individually – through education and improved self-awareness.

Examine CUUC's structure and practices to identify and dismantle racism and white supremacist ideologies in our congregation, promote antiracism, and support multiculturalism.

Enhance and facilitate communication within CUUC that informs and encourages participation in racial justice education and activism that supports equity and inclusion.

Work with internal CUUC groups and external groups, including organizations and congregations, to build relationships, create shared goals, and increase partnerships designed to eliminate racism and build a diverse, multicultural, Beloved Community.
